Description

ANI - Promoting knowledge & collaborative innovation

ANI (the Portuguese National Innovation Agency) mission is to support companies, bringing value to their innovation activities, and being recognized as key element in the innovation support system. It plays a central role in the science-economy relations, partnering with the relevant stakeholders.

The [Enterprise Europe Network](#) is an international network of close to 600 partners from over 60 countries with 3000 local experts ready to help companies and innovators to find the right partners and support businesses to growth and internationalize. ANI is partner of the Network since its inception in 2008 and is especially suited to support technology-based partnerships and the exploitation of results from R&D and innovation projects.
