Description

ISPIM - International Society for Professional Innovation Management is a network of researchers, industrialists, consultants and public bodies who share an interest in innovation management. Founded in 1983 by Professor Knut Holt in Norway, ISPIM is the oldest, largest and most active innovation association in Europe.

ISPIM produces scientific and educational material and events to help people understand and share thinking and experiences on how individuals, organisations and society can be better organised to create and distribute new products, services and processes to make the world a better place.
