## Bilateral Meetings

- 09-00 am - 12.00 am
- 14.00 pm - 17.00 pm

## Description

WLK is a sharing platform of knowledge in various areas of the business environment. We operate primarily in management, in order to offer an integrated solution to our customers. Currently we are interested in developing skills in management of innovation.

Portugal is one of Europe's countries with lower rates of innovation, we aim to play an active role as agents of change this reality.
